# A permissioned blockchain prototype facilitating banking record interoperability

University of Essex

Anrich Potgieter

July 6, 2022

# Declaration

Test text

# Abstract

# Acknowledgements

# Contents

# Chapter 1

# Introduction

# Chapter 2

# Background Literature

## 2.1   Defining blockchain technology

## 2.2   Organisational Interoperability

## 2.3   Facilitating Interoperability using Blockchain Technology

Blockchain Technology in Banking Organisations

## 2.4   Blockchain Data Storage and Retrieval

# Chapter 3

# Ethical and Professinoal Considerations

# Chapter 4

# Evaluation

# Chapter 5

# Learning

# Chapter 6

# Conclusion

# Appendix A

# Appendicies
